

LNER Class B12/3

Finished in 1930's apple green livery. Numbered and Lettered using HMRS Transfers (sheet No 4). Hand lined with bow pen.

Model was built, finished & presented to me by Dave (*the Paint*) Steinle because he reckoned I needed more green display locos on my stand.

LNER Class B12/3

Finished in British Railways mixed traffic livery typical of the 1950's. Numbered and Lettered using HMRS Transfers (sheet No 14). Hand lined with bow pen.

Model was built from the 1st test etchings by myself. Livery was applied by Dave (*the Paint*) Steinle.
